

## A.G. BILLIG RELEASES HER FIRST AUDIOBOOK

Los Angeles, CA - A.G. Billig releases the audiobook version of her book [I Choose Love: A Journey from Fear to Love](#), a powerful and transformational piece of work for awakening your heart, reaffirming your direction in life and choosing love every day.

Love gets a voice through the powerful yet soothing and sweet delivery of Janine Granda, a professional actress nominated for "Best Performance by an Actress in a Short Film" at the Cincinnati Film Festival and narrator of over ten audiobooks.

"It was such a pleasure to work on this book. A.G. Billig's work made my job so incredibly easy, and I loved the practical exercises she included. Taking several with me for sure," Granda said.

I Choose Love: A Journey from Fear to Love unveils the secrets that allowed millions of people find true love. Whether looking for the ideal life partner or their life purpose, A.G. Billig's proven approach enables readers to free themselves from the tyranny of fear, false beliefs, and self-imposed limitations. The six techniques presented in this practical and insightful book also empower readers to experience self-love, boost their self-confidence, become the kind of person other people love and admire, and master their sexual power.

Billig said, "The most three overlooked facts about love are that, first, love is our nature. Second, the more love we offer, the more we get. Third, love has amazing healing powers. Our life changes completely and our wishes are miraculously granted when we stop looking for love in the outer world and find it within. In that very moment, we love what we do and ourselves. We love life. Love gives us the strength, energy, inspiration, and vision to create a life beyond our wildest dreams. Where there is love, there is no fear and the other way around. The silver lining is that even in the darkest hour we have a choice. We can go beyond our limiting beliefs, hurts, wounds, and tap into the kindness of our heart. Choose love. That's the only way to put an end to the violence in the world and what we interpret as misery in our life. That's why I wrote this book. I'm thrilled that I found the perfect narrator for I Choose Love. Janine Granda adds a whole new dimension to my book."

Inspired by her journey to becoming a loving human being, A. G. Billig - author, radio host, certified trainer, and Reiki practitioner - interweaves real stories with ancient wisdom. The ideas presented in [I Choose Love: A Journey from Fear to Love](#) are the result of her encounters with spiritual teachers and healers such as Neale Donald Walsch and John of God, the study of ancient wisdom, and seven years of spiritual practice.

The audiobook is available on [Audible](#), [Amazon](#), and iTunes.
